

Sacred Heart Parish Roscommon Enrolment Form for Sacraments of Penance and Eucharist

When you brought your child to the Church to be baptised you promised to commit to bring your child up in the practice of the faith. This year you may wish your child to receive the Sacraments of Penance and Eucharist for the first time. The privilege and obligation to prepare your child for these Sacraments is yours in the first place and the school and the parish will support you and help you in any way they can. Making a commitment to prepare your children to receive the Sacraments of Penance and Eucharist involves among other things, regular attendance at Mass, praying with your child, taking an interest in the religion programme being done in school and providing a religious environment in your home.

First Penance is generally celebrated in March, and First Eucharist will be celebrated in Sacred Heart Church during May.

If you wish your child to receive the Sacraments of Penance and Eucharist in 2016 please complete the enrolment form and return to the Parish Office, Parochial House, Abbey Street, Roscommon by Friday 25th September 2015.

With every good wish and God's blessing,

Roscommon Parish Team
