NEW LIFE

Reality is a word we use
Never to win and always to lose.
The darkest days that come our way
Trick us to think these days will stay.
When loss and grief are all about
It's hard to trust instead of doubt.
But believe we must that the tide will turn
That beyond the tomb is the life we yearn.
Of course the past and future threaten
But the joy filled now will also beckon
The dubious mind will never savour
The present gifts we're asked to flavour.
The gift that God is good to you
And come what may that still holds true
So rejoice and sing and dance and shout
With death comes life, please never doubt.

Fr. Kevin

COVID-19 Community Outreach (CCO) is a new national initiative set up to link and support the work of thousands of community and voluntary organisations who are responding to meet the needs of the most vulnerable people in our communities, including people who are advised to ‘cocoon’. CCO is coordinated by The Wheel and Irish Rural Link, and is funded by the Department of Rural and Community Development. There is a CCO Local Champion in every Local Authority area who are working as part of the Local Authority Community Call programme who will help to identify gaps in much needed services in communities to ensure that no person is left behind at this time. Your Champion for Roscommon is Niamh Nolan and she can be contacted on 085-1265195. The Roscommon Local Authority helpline is 1800 200 727 and is open from 8am to 8pm 7 days a week.
